

UNITED STATES DISTRICT COURT  
DISTRICT OF NEW HAMPSHIRE

United States

v.

Case No. 08-cr-135-01-SM

Normand Forand

ORDER

Re: Document No. 67, Motion to Appoint [New] Counsel

Ruling: Denied, without prejudice. The motion does not provide grounds justifying the appointment of substitute counsel. The final revocation hearing was continued on defendant's motion, to facilitate his successful completion of the Therapeutic Community Program. Presumably defendant is enrolled in and successfully participating in that program, leaving little for counsel to attend to until he completes it. A copy of defendant's motion shall be forwarded to counsel with the expectation that counsel will discuss the issues raised with the defendant.
